SIRCOMA

DAWG RACE

From post time to the "Hare-raising" finish, SIRCOMA's new DAWG RACE means action and fun.

Players bet from 1 to 8 coins on any or all of their favorite computerized canines. The dawgs are trumpeted to the post. Then, with the touch of a button, the race is on. And the random Daily Double flasher makes picking a winner twice as exciting.

Play credits are added to the register or paid by an optional ticket or token dispenser (where legal).

Why not let our new DAWG RACE unleash your profit potential?
